

Balfour Beatty Capital - Canada

Come join our growing team!

With award-winning projects that span the globe, Balfour Beatty brings 100 years of expertise and resources to Canada. We build the hospitals, courthouses, schools, roads and transportation systems that help communities thrive. Balfour Beatty Capital, the investment arm of our parent company, is a worldwide leader in public-private partnerships, providing the experience and guidance needed to produce high-quality, sustainable infrastructure. Our goal is simple: to improve a community's quality of life by creating and caring for its essential assets.

Balfour Beatty Capital partners with public and private entities to build high-quality projects on time, on budget and that add value to the community. We do it right by including all stakeholders in the project's design from day one.

We are growing our Toronto office looking for candidates to successfully fill the following roles:

Bid Director
